

**Alan  
Halsey**

.....

## **Memory Screen**

**10 February - 9 March, 2010**

First shown at the Bury Text Festival in 2005, Alan Halsey's Memory Screen is an impossible book now existing in at least five distinct versions. It is shown here as a sequence of 54 framed triptychs and a screen based electronic version.

**PRIVATE VIEW - Friday 12th FEBRUARY from 6-9pm**
